RE: Patuxent MHP, NPDES # MD0024694, STATE PERMIT # 09-DP-0664, Permit Changes

On 6/1/19, a new permit was issued for Patuxent Mobile Home Park WWTP, NPDES # MD0024694. If the permit was sent to management of Horizon Land Co. they failed to forward a copy of the permit to Water Services, Inc.

While submitting the DMR through Net-DMR I became aware of a change. Sampling of Ortho-Phosphate was required as of June 2019. I was unaware of the existence of the new permit and change to the permit. I did not sample for Ortho-Phosphate for June 2019.

Although I am not associated with Horizon Land Co., the operation or sampling of Patuxent MHP WWTP as of 7/13/19, I will notify Horizon Land Co. management of the permit change, so that they may comply for the July 2019 and forward.

Please feel free to call me should you have any questions regarding this matter.
